Profile

PhD Candidate at the Hertie School, where I completed two master's degrees in Public Policy and Data Science. Economist and Political Scientist from Universidad de los Andes (Colombia). Skilled in public policy evaluation and data science. Experienced in public affairs and research, with a special interest in applying data science techniques (e.g., causal inference, geospatial analysis, machine learning, and deep learning) to support sustainable development and environmental protection.

Education

- | | |
|-----------------------|---|
| Sep. 2025 – Present | 📖 Ph.D. Governance - Computational Social Science , Hertie School.
Research Focus: Application of data science techniques (e.g., causal inference, geospatial analysis, machine learning, and deep learning) to support sustainable development and environmental protection.
Main Supervisors: Prof. Asya Magazinnik, Prof. Drew Dimmery. |
| Sep. 2023 – Jun. 2025 | 📖 M.Sc. Data Science , Hertie School.
Thesis title: <i>Seeing the Forest through the trees: Exploring Deforestation Trends in Colombia with Machine Learning</i> . |
| Sep. 2022 – Jun. 2024 | 📖 M.Sc. Public Policy , Hertie School.
Thesis title: <i>A Forest Call: Impact Evaluation of the Colombian Peace Agreement from 2016 on Deforestation</i> . |
| Sep. 2016 – Jun. 2021 | 📖 B.A. Political Science , Universidad de los Andes. |
| Jan. 2016 – Dic. 2020 | 📖 B.A. Economics , Universidad de los Andes. |

Work Experience

- | | |
|-----------------------|---|
| Jan. 2026 – Present | 📖 Teaching Assistant , Hertie School.
Teaching Assistant to the Causal Inference course for the Master's in Data Science for Public Policy. |
| Jul. 2025 – Dec. 2025 | 📖 Researcher , RWI – Leibniz Institute for Economic Research.
Member of the INFECTIONS project: Management of survey panel data from the DHS program across several African countries. |
| May 2023 – Mar. 2025 | 📖 Student Research Assistant , DIW – German Institute for Economic Research.
Member of the Climate Policy Department: Literature review and data analysis for research focused on energy markets. Member of the Firms and Markets Unit: Analysis of data on subsidies for companies in the U.S. |
| Oct. 2024 – Feb. 2025 | 📖 Research Associate , Hertie School.
Research Associate to Prof. Asya Magazinnik: Research on housing permits across different U.S. cities. |
| Sep. 2021 – May 2023 | 📖 Junior Researcher , WifOR Institute.
Member of the Health Economy and Business Development Teams: Research on the effects of regulatory measures of 6 Latin American Countries during the COVID-19 pandemic. Support on the communication process with different potential business partners. |

Skills

Languages	📖 Spanish (native), English (fluent), German (fluent), French (Basic).
Coding	📖 Python, R, STATA.
Additional Tools	📖 Microsoft Office, $\LaTeX$, HTML, Tableau.
Quantitative Skills	📖 Causal inference, Machine/Deep Learning, Geospatial Analysis, NLP.

Additional Experience

Certificates and Achievements

2025	📖 PhD Stipend , Hertie School.
	📖 Participation Certificate , DataFest 2025 at the LMU Munich.
2024	📖 Data Science Thesis Winner 2024 , Data Science Lab at the Hertie School.
2022	📖 COLFUTURO-DAAD Scholarship , Fundación COLFUTURO.
2018	📖 Erasmus+ Scholarship , European Union.

Academic Activity

2022 – 2025	📖 Hertie School Board Member of the Hertie Latin American Club. Board Member of the Bouldering Club.
2018 – 2021	📖 Universidad de los Andes Member of the student magazine "Supuestos". Member of the Research Hotbed for Regional Political Economy. Member of the Research Hotbed for Social Science Programming.

Professional Development

2021	📖 Analytics Projects in Python , Universidad de los Andes.
